TO : Chief, WE

DATE 10 March 1954

FROM : Senior Representative, []

SUBJECT: GENERAL— Operational, RNCASTING Operations
SPECIFIC— Meeting [] and RNCATNIP

References : OIRW-2675 (BGFINESSE), 23 February 1954;
[] 3570, 5 August 1952

1. Despite his expressed intention of doing so, RNCATNIP did not meet again with [], and the sole contact between the two with reference to RNCASTING operations was the 3 August 1952 one reported in [] 3570. At the time, it is recalled, [] and his political associates completely discounted the existence of the operation of which RNCATNIP spoke and were at a loss to explain the reasons for the approach.
2. Although there are few secrets in Rome's little Albanian world, we had no other reports at the time concerning either the existence of the operation in question, or indications that [] & Co. had spoken of the RNCATNIP revelations.
3. In view of those considerations, therefore, it is felt that no back-checking on security leaks can be initiated from this end.
